MESSAGE FROM THE PRESIDENT

Elias Karimi

Dear members and supporters of Hazara Association of Qld (HAQ) Inc, as I reflect on the year 2024 and embark on the year 2025. I want to begin my remarks by expressing my deepest gratitude to each of you - our members, volunteers, supporters, and community leaders. Your dedication, hard work, and belief in our vision have truly made 2024 an extraordinary year.

2024 was full of milestones and achievements that we should all be proud of. Together, we have been able to organise successful cultural and social events, expand our Network, develop our website and social media platform, attract youth and women volunteers, attract much needed funding for our community members and complete the civil works of HAQ Cultural Community Centre (HAQ CCC) Project. Each success has brought us closer together, strengthening the bonds that set us apart.

We have celebrated our culture, supported one another through challenges, and taken steps toward building a brighter future here in Qld. Whether through monthly leadership meetings, giving helping hand to those of us in need, organizing Eid and Nawroz Mela, Muharram gatherings, training workshops and volunteering for HAQ CCC Project to complete the civil works, we have demonstrated the true spirit of unity and resilience. Of course, 2024 had its challenges.

Like any growing community, we faced obstacles, but we tackled them together with strength. I am proud of how we stood together, found solutions, and supported each other through tough times. These experiences remind us of the strength and resilience that define our community.

Actively identifying and encouraging our youth in our community to join our team which not only helps the operation of HAQ but keeps them engaged

Civil Works of HAQ Cultural Community Centre reached completion

As we look ahead to year 2025, there is so much to look forward to. The plans we have for our youth, elders, women, the HAQ CCC building works project will not only strengthen our community but also leave a lasting impact for future generations. With your continued support, I am confident that we can achieve even greater success this year and in the years to come.

Our priorities remain the same: fostering inclusivity, celebrating our culture, supporting those in need, bringing the wider community together and building a community that we can all be proud of. Going forward, I want to ask each of you to consider the role you can play in shaping our future. Whether through volunteering, sharing your skills, or simply supporting our programs, every contribution makes a difference. Together, we are unstoppable.

As we have put one year behind us with the current leadership team, let us take a moment to celebrate all that we have accomplished together. Let us also take the time to appreciate one another for the kindness, support, and unity that strengthens our community.

Thank you all for trusting me and giving me the honour of serving as your president. It has been a tremendous privilege to lead such an incredible community. Let us look ahead to the coming year with hope, determination, and excitement for all that we can achieve together.

Here's to another year filled with growth, celebration, and unity. Wishing you all a prosperous 2025.

CULTURAL CENTRE PROJECT

The Hazara Cultural Centre project is a cornerstone initiative of the Hazara Association of Queensland (HAQ), aimed at creating a dedicated space to-

preserve, promote, and celebrate the rich cultural heritage of the Hazara community. This ambitious project seeks to provide a multi-purpose facility that serves as a hub for cultural events, educational programs, community gatherings, and social support services. The Cultural Centre will not only be a place to honor and maintain Hazara traditions but will also act as a bridge between the Hazara community and the broader multicultural society in Queensland, fostering greater understanding and inclusion.

CONSTRUCTION PROCESS & DEVELOPMENT

The construction of the HAQ Cultural Community Centre is a structured project aimed at delivering a space that fulfills the community's cultural, social, and educational needs.

The process began with extensive planning and design, involving consultations with town planners and architects to create a blueprint that complies with regulations while incorporating cultural elements. Site preparation, including land clearing, utility installation, and foundational work, has been successfully completed.

Currently, the project is in the contractor selection and approval stage. Multiple builders, including Vati Projects, Phlat Construction and Tomkin Construction, were considered, with estimates ranging from \$4.9 million to \$10 million. Building approvals (BA) have been submitted, and the design is being aligned with the available budget to ensure a cost-effective and high-quality result.

The next phases will include structural construction, interior work, and landscaping, with a focus on sustainability and functionality. Upon completion, the Centre will become a hub for community gatherings, workshops, and cultural celebrations.
